

The Colville's

Dear Robert Powell:
I have been
pondering when
you will be able to let
me see the pictures that
you took on my porch
on August 17th.

I have a small album
in which I want to keep
those that are not dupli-
cates of others that have
been given to me.

How fortunate I
was that the weather pro-
vided us with such a
perfect day for photo-
graphs!

Cordially,
Rebecca M. Colville
